

RUM RUNNER II & SEAFOOD LUNCH

NEWPORT, RI

Friday, July 17

\$58 per person

We'll arrive early for the Lighthouse Cruise. After a narrated tour of the harbor and shoreline mansions we'll enjoy close up views and histories of Newport's lighthouses. Before our cruise concludes we will relive the thrill of the chase of smuggler boats from Prohibition days. *Rum Runner II* was built for 2 NJ mobsters to elude the Coast Guard. This restored yacht will carry us swiftly and safely through Newport waters on an adventurous tour. Following our cruise we'll head to Easton Beach to enjoy twin lobster rolls or clam rolls if you prefer. There are also a few non-seafood options available.

Trips includes: cruise, lunch & transportation.
